** Indicates source(s) identified by interviewee(s) that Comcast either did not use to recruit for the position(s) or cannot precisely associate with a source that was used. For instance, an interviewee may be referred by a source that pulled Comcast’s job vacancy information from Comcast.com or other sources that Comcast did affirmatively use to recruit for its full-time positions, and published the information independently. Alternatively, an interviewee may state that he or she found out about the job on the “internet” or other form of media generally without being able to identify the precise name of the source.*

Every job posted externally is posted on our careers page, jobs.comcast.com

** * The category of Other Job Board includes outreach through the Professional Diversity Network or PDN. PDN, in turn, partners with leading diverse organizations including, iHispano, Black Career Network and Women’s Career Channel, to ensure diverse and broad outreach. In many cases, PDN partners with these sites to distribute Comcast job listings. In other cases, job listings are sent to specialized boards such as tech jobs to TechLatino and Black Data Processing Association. All these diverse sources are included, based on job type, under the outreach category of Other Job Board.*

Please note that Comcast often hires under evergreen requisitions. These are jobs where Comcast may need to hire several job applicants. As part of this review, Comcast did its best to ensure the distribution of interviews and sources across all the evergreen requisitions. The first job requisition or “parent” requisition, however, may contain all candidate interviews and sources, while the additional requisitions may show only one interview and one hire.
